Please be advised that the Riverside County Local Enforcement Agency (LEA), has received and approved a Report of Facility Information (RFI) Amendment per Title 27, California Code of Regulations (27 CCR), Section 21665(c). This public notice was prepared pursuant to Title 27 CCR 21660.1.

Project Description

The Perris Transfer Station is an existing transfer/processing facility operating under a full Solid Waste Facilities Permit. The application package to amend the RFI requests the following changes: update to the TPR and exhibits to include changes to the existing plans for the site's Large Volume In-Vessel Digestion system. The EA finds that the proposed changes are consistent with all requirements set forth in Title 27, Section 21665(c).

For Additional Information

To review a copy of the application and supporting documents, please contact Mr. Fahrion or Mr. Hunt.
