**FOR THE DESERT CENTER SANITARY LANDFILL PERMIT MODIFICATION
RECEIVED BY THE RIVERSIDE COUNTY DEPARTMENT OF ENVIRONMENTAL
HEALTH LOCAL ENFORCEMENT AGENCY**

PROJECT DESCRIPTION:

The Riverside County Department of Waste Resources submitted an application to modify the Solid Waste Facility Permit (SWFP) for the Desert Center Sanitary Landfill (SWIS 33-AA-0016) on May 3, 2019. The Riverside County Department of Environmental Health Local Enforcement Agency (LEA) reviewed the application package and found it to be complete and correct on May 24, 2019.

The SWFP Modification application addresses the change of the closure date from April 2087 to August 2187, adjusting design capacity based on current survey, and to accept non-friable asbestos waste and contaminated soils.

PROJECT LOCATION:

17991 Kaiser Road Desert Center, CA 92239

LOCAL ENFORCEMENT AGENCY DETERMINATION:

The LEA's preliminary determination is that the proposed permit modification be approved. The proposed change would not affect the disposal area, or increase in tonnage, traffic, or expansion of the landfill or result in an alteration to the existing operation of the facility.
