31 over the terms on which a particular customer may be serviced because of remoteness of location,
32 difficulty of access, particular needs of the customer, etc. shall be decided in accordance with the
33 provisions of Section 16 (B) (2) related to "service complaints."

34
35 B. Single Family Residential.

36
37 Weekly Service. Not less often than once per week, and more frequently if required to handle the

43 the use of specific containers as specified in Exhibit A. Franchisee may negotiate special pickup
44 procedures, above and beyond the normal services described above, with customers for an additional fee
45 in an amount provided in Exhibit E.

Not less often than once per week, and more frequently if required to handle the waste stream of the premises where the Bins are located, Franchisee shall collect the Solid Wastes (including bulky items which have been placed in a closed bin, and excepting metallic white goods and Hazardous Waste) which have been placed, kept or accumulated for Collection in Solid Waste Bins at Multi- Residential Units.

- 3) Franchisee shall provide large rolloff refuse containers requested by the Director or his designee to respond to organized community clean up efforts at no charge. - 4) Franchisee shall leave the original reports (or copies thereof) with the gate fee collector at County disposal sites at the time of delivery of the corresponding loads of illegally dumped debris. Nothing herein shall prevent the immediate pickup, delivery and reporting thereof, as part of the normal route collection activities, of illegally discarded material.

15 Separate and distinct from the insurance provisions found in this Agreement, Franchisee agrees to
16 defend, indemnify, and hold harmless, County and District and their officers, agents, and employees from
17 and against any and all claims, demands, damages, liabilities, costs or expenses for any damages or
18 injuries to any person or property, including, but not limited to, injury to Franchisee's officers, agents, or
19 employees which arise from or are connected with or are caused or claimed to be caused by negligent acts
20 or omissions of Franchisee, and its officers, agents, or employees, in performing the work or services
21 herein, and all reasonable costs and expenses of investigating and defending against same; provided,
22 however, that Franchisee's duty to indemnify and hold harmless shall not include any claims or liability
23 arising from the negligence or misconduct of County or District or their agents, officers, or employees.

24
25 This obligation shall not be limited by the amounts or coverage specified in the insurance policies and
26 bond(s) supplied by franchisee in conjunction with the agreement. This indemnification obligation shall
27 survive the term of the franchise.

28 29 B. Hazardous Substances Indemnification.

30
31 Without limiting the generality of the foregoing, if Franchisee has acted negligently or willfully with
32 respect to the collection or transportation of waste materials, Franchisee shall indemnify, defend with
33 counsel approved by County, protect and hold harmless County and District and their respective
34 employees, agents, assigns, and any successor or successors to County's interest from and against all
35 claims, actual damages (including, but not limited to, special and consequential damages), natural
36 resources damage, injuries, costs, response remediation and removal costs, losses, demands, debts, liens,
37 liabilities, causes of action, suits, legal or administrative proceedings, interest, fines, charges, penalties,
38 and expenses (including, but not limited to, attorneys' and expert witness fees and costs incurred in
39 connection with defending against any of the foregoing or in enforcing this indemnity) of any kind
40 whatsoever paid, incurred or suffered by, or asserted against, County or District or their respective
41 officers, employees, agents, or Franchisees arising from or attributable to any repair, cleanup or
42 detoxification, or preparation and implementation of any removal, remedial, response, closure or other
43 plan (regardless of whether undertaken due to governmental action) concerning any hazardous substance
44 or Hazardous Wastes at any place where Franchisee stores or disposes of municipal Solid Waste or
45 construction debris pursuant to this Agreement. The foregoing indemnity is intended to operate as an
46 Agreement pursuant to Section 107(e) of the Comprehensive Environmental Response, Compensation
47 and Liability Act, "CERCLA", 42 U.S.C. Section 9607(e) and California Health and Safety Code Section
48 25364, to insure, protect, hold harmless, and indemnify County from liability.

1 C. Minimum Diversion Requirements

2
3 The percentage of all materials collected by Franchisee under this Agreement, as detailed in Form 5
4 in programs approved by County, shall be recycled, processed and/or marketed by Franchisee in a manner
5 which entitles County to diversion credit as specified in California Public Resources Code, Section 41780
6 measured on a calendar year basis beginning January 1st, 1999 ("Minimum Diversion Requirement")
7 provided the County adopts the recommended diversion programs as stated in Form 5, Diversion
8 Proposal. Within sixty (60) days of each calendar year, Collector shall pay County as liquidated damages
9 for failing to meet this requirement, twenty dollars (\$20.00) per ton, for each ton which was not diverted,
10 which if it had been diverted would have enabled Franchisee to meet the Minimum Diversion
11 Requirement for calendar year 2000 and each successive year. Further, if Franchisee fails to meet the
12 annual Minimum Diversion Requirements two (2) times after the execution of the agreement, County
13 may terminate this Agreement upon one hundred twenty (120) days notice. If the County, or District on
14 behalf of the County, finds that additional programs are necessary to meet any IWMA required diversion
15 goals the County, or District on behalf of the County, may require proposals for additional diversion
16 programs to meet the diversion requirements. If necessary, County and Franchisee shall enter into good
17 faith negotiations, but if agreement regarding programs and/or rate adjustments cannot be reached,
18 County reserves the right upon one hundred twenty (120) days notice thereof to terminate the Franchisee's
19 Franchise rights to collect Solid Waste, Recyclable Materials, and/or Organic Waste, and/or to
20 independently implement programs that may be needed to meet the minimum diversion requirement.

21
22 If commercial recycling is being performed by generators, and others, to the extent the Franchisee is
23 unable to meet its Minimum Diversion Requirements, Franchisee shall document such commercial
24 recycling in writing and petition the Director for an equitable adjustment of Franchisee's Minimum
25 Diversion Requirement, which shall not be unreasonably denied.

26
27 D. Worker's Compensation Insurance.

28
29 Franchisee shall obtain and maintain in full force and effect throughout the entire Term of this
30 Agreement full workers' compensation insurance in accord with the provisions and requirements of the
31 Labor Code of the State of California. Endorsements that implement the required coverage shall be filed
32 and maintained with the Director throughout the Term of this Agreement. The policy providing coverage
33 shall be amended to provide that the insurance shall not be suspended, voided, canceled, reduced in
34 coverage or in limits except after thirty (30) days' prior written notice by certified mail, return receipt
35 requested, has been given to County. The policy shall also be amended to waive all rights of subrogation
36 against the County and the District, its elected or appointed officials, employees, agents, or Franchisees
37 for losses which arise from work performed by the named insured for the County.

38
39 E. Public Liability Insurance.

40
41 Franchisee shall obtain and maintain in full force and effect throughout the entire Term of this
42 Agreement a Broad Form Comprehensive General Liability (occurrence) policy with a minimum limit of
43 three million dollars (\$3,000,000.00) aggregate and one million five hundred thousand dollars
44 (\$1,500,000.00) per occurrence for bodily injury and property damage. Said insurance shall protect
45 Franchisee, the County, the District, and their elected or appointed officials, employees, and agents, from
46 any claim for damages for bodily injury, including accidental death, as well as from any claim for
47 property damage which may arise from operations performed pursuant to this Franchise Agreement,
48 whether such operations be by Franchisee itself, or by its agents and/or employees. Copies of the policies
49 or endorsements evidencing the above required insurance coverage shall be filed with the Director. All of

1 the following endorsements are required to be made a part of the insurance policies required by this
2 Section:

- 3
- 4 1) "This policy shall be considered primary insurance as respects any other valid and
5 collectible insurance the County may possess including any self-insured retention the
6 County may have, and any other insurance the County or District does possess shall be
7 considered excess insurance and shall not contribute with it."
8
- 9 2) "This insurance shall act for each insured, as though a separate policy had been written
10 for each. This, however, shall not act to increase the limit of liability of the insuring
11 company."
12
- 13 3) Franchisee shall cause its insurance carrier(s) to furnish County and District by direct
14 mail with certificate(s) of insurance showing that such insurance is in full force and
15 effect, and County and District are named as additional insureds with respect to this
16 Franchise and the obligations of Franchise hereunder. Further, said certificate(s) shall
17 contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall
18 be given to County and District prior to modification, cancellation or reduction in
19 coverage of such insurance. In the event of any such modification, cancellation or
20 reduction in coverage and on the effective date thereof, this Franchise shall terminate
21 forthwith, unless County and District receive prior to such effective date another
22 certificate from an insurance carrier that the insurance required herein is in full force and
23 effect.
24

25 The limits of such insurance coverage, and companies, shall be subject to review by the Director
26 every year and may be modified at that time by the County upon a demonstration of reasonable need. The
27 County and the District shall be named as additional insureds on all policies and endorsements.
28

29 **F. Performance Bond or Letter of Credit.**

30

31 Franchisee shall furnish a corporate surety bond as security for performance under this Agreement.
32 The amount of the bond shall be the average of two months' expected Gross Receipts. Premium for the
33 above described bond(s) shall be paid by Franchisee. A certificate from the surety showing that the bond
34 premiums have been paid in full shall accompany the bond. The surety on the bond shall be a company
35 acceptable by the County and shall be a corporate surety company authorized to do business in the State
36 of California.
37

38 **G. Modification.**

39

40 The insurance requirements provided herein may be modified or waived in writing by the Board upon
41 the request of Franchisee, provided the Board determines such modification or waiver is in the best
42 interest of County, in its reasonable judgment, considering all relevant factors, including financial
43 guarantees provided by the parent company of Franchisee.
44

45 **SECTION 9. DEFAULT AND REMEDIES.**

46

47 A. If the Director determines that the Franchisee's performance pursuant to this Agreement has
48 breached its obligation or otherwise has not been in conformity with reasonable industry standards, the
49 provisions of this Agreement, the requirements of the California Integrated Waste Management Board,

1 including, but not limited to, requirements for source reduction and recycling (as to the waste stream
2 subject to this Franchise Agreement) or any other applicable Federal, State, or local law, ordinance or
3 regulation, including, but not limited to, the laws governing transfer, storage, or disposal of Hazardous
4 Wastes and other wastes requiring special handling, the Director shall advise Franchisee in writing of
5 such deficiencies. The Director may, in such written instrument, set a reasonable time within which
6 correction of all such deficiencies is to be made. Unless otherwise specified, a reasonable time for
7 correction shall be thirty (30) days from the mailing of such written notice. The Director shall review the
8 Franchisee's response and either notify the Franchisee of that decision, in writing, or refer the matter to
9 the Board. A decision or order of the Director shall be final and binding on Franchisee if the Franchisee
10 fails to file a "Notice of Appeal" with the Director within thirty (30) days of receipt of the Director's
11 decision. Within ten working days of receipt of a Notice of Appeal, the Director shall either refer the
12 appeal to the Board for proceedings in accordance with Subsections 9B and 9C, below, or refer the matter
13 to a hearing officer as provided in Section 11, below. Where the County and the Franchisee have claims
14 pending against each other at the same time under Section 9 and Section 11 jurisdiction shall be with the
15 Board.

16
17 B. The Board, may set the matter for hearing. The Board shall give Franchisee, and any other
18 Person requesting the same, fourteen (14) days written notice of the time and place of the hearing. At the
19 hearing, the Board shall consider the report of the Director indicating the deficiencies, and shall give the
20 Franchisee, or its representatives and any other interested Person, a reasonable opportunity to be heard.

21
22 C. Based on the evidence presented at the public hearing, the Board shall determine by Resolution
23 whether the Agreement should be terminated or other remedies imposed. If, based upon the record, the
24 Board determines that the performance of Franchisee is in breach of any material Term of this Agreement
25 or any material provision of any applicable Federal, State, or local statute, ordinance or regulation, or is
26 deficient with respect to prevailing industry standards, the Board in the exercise of its sole discretion, may
27 terminate forthwith, this Agreement. Franchisee's performance under its franchise is not excused during
28 the period of time prior to the Board's final determination as to whether such performance is deficient.

29
30 D. The right of termination is in addition to any other rights of County upon failure of Franchisee to
31 perform its obligations under this Agreement.

32
33 E. The County further reserves the right to terminate Franchisee's franchise, following public
34 hearing therefor, not later than 6 months following the date of said hearing at which a majority vote of the
35 board determines it is in the public interest to do so:

- 36
37 1) If the Franchisee practices, or attempts to practice, any fraud or deceit upon the County.
38
39 2) If the Franchisee becomes insolvent, unable, or unwilling to pay its debts, or upon listing
40 of an order for relief in favor of Franchisee in a bankruptcy proceeding.
41
42 3) If the Franchisee fails to provide or maintain in full force and effect, the workers'
43 compensation, liability, indemnification coverage, and performance bond as required by
44 the Agreement.
45
46 4) If the Franchisee willfully violates any orders or rulings of any regulatory body having
47 jurisdiction over the Franchisee relative to this Agreement, provided the Franchisee may
48 contest any such orders or rulings by appropriate proceedings conducted in good faith, in
49 which case no breach of the franchise shall be deemed to have occurred.

- 5) If the Franchisee ceases to provide Collection services as required under this Agreement overall or a substantial portion of its Franchise Area for a period of seven (7) days or more, for any reason within the control of the Franchisee.
- 6) If the Franchisee willfully fails to make any payments required under the Agreement and/or refuses to provide County with required information, reports, and/or test results in a timely manner as provided in the Franchise Agreement.
- 7) For any other act or omission by the Franchisee which materially violates the terms, conditions, or requirements of this franchise, Ordinance 657, successor ordinance, other county ordinance, the IWMA, successor acts, or any order, directive, rule, or regulation issued thereunder and which is not corrected or remedied within the time set in the written notice of the violation or, if the Franchisee cannot reasonably correct or remedy the breach within the time set forth in such notice, if the Franchisee should fail to commence to correct or remedy such violation within the time set forth in such notice and diligently effect such correction or remedy thereafter.
- 8) Should the Franchisee or any parent corporation or entity, or any of the officers or directors of the Franchisee or any parent corporation or entity be found guilty of felonious conduct related to the performance of this Agreement, or of felonious conduct related to anti-trust activities, illegal transport or disposal of hazardous waste or materials, or violation of Racketeer - Influenced Corrupt Organizations (RICO) Statutes.

F. Professional Conduct

- 1) In the event that any official, employee, or contractor for Franchisee or its successor-in-interest is indicted by a grand jury, named as a defendant in a felony complaint filed in any court in the United States, or is otherwise alleged to have participated in any criminal activity directly or indirectly associated with the solid waste management business, Franchisee or its successor-in-interest shall provide written notice thereof to the Director within 14 days of such indictment, complaint or allegation. Such notice shall contain a description of the indictment, complaint or allegation, as well as a copy of such indictment or complaint or other matters of public record related thereto. In addition to the foregoing, Franchisee or its successor-in-interest shall provide the Director with copies of any reports required to be prepared by Franchisee or its successor-in-interest pursuant to federal securities laws, including quarterly and annual reports.
- 2) In the event that any official, employee, or contractor for Franchisee or its successor-in-interest, who has any responsibility for any aspect of the franchisee's operations under this contract, is convicted, indicted by a grand jury, or named as a defendant in a felony complaint filed in the Superior Court or a complaint filed in Federal Court associated with conduct of doing business for Franchisee or its successor-in-interest, this person shall, upon request of the County be immediately removed from any assignment whatsoever, directly associated with operations under this contract during the pendency of trial and/or following conviction.

G. This Agreement is subject to all present and future laws, regulations and orders of Federal, State, County, and City governments and any instrumentalities thereof. Should either of the parties hereto at

1 any time during the Term of this Agreement be ordered or required, pursuant to any laws, regulations or
2 orders, to do any act that substantially impairs the party's ability to perform under this Agreement, then
3 such party shall notify the other party of such order or requirement and the law, regulation or order on
4 which such order or requirement is based. Unless the parties agree in writing to continue this Agreement,
5 or to renegotiate the terms of the Agreement within thirty (30) days after the Effective Date of such law,
6 regulation or order, then this Agreement shall terminate on the thirty-first day following the Effective
7 Date of such law, regulation or order. Nothing in this Agreement shall prohibit either party, at that party's
8 sole expense from obtaining or seeking to obtain modification or repeal of such law, regulation or order or
9 restrict either party's right to legally contest the validity of such law, regulation or order.

11 **SECTION 10. DISRUPTIONS IN SERVICE.**

13 A. If, at any time during the Term of this Agreement for a period of seventy-two (72) consecutive
14 hours or more, Franchisee fails for any reason to collect and remove Solid Waste as required hereunder,
15 County may immediately, upon written notice to Franchisee, cause such Solid Waste to be collected and
16 removed by whatever means available to County. Franchisee shall pay any and all costs incurred by
17 County in providing the service. This clause shall not apply to failure to collect due to unsafe weather or
18 road conditions, provided, however, that the franchisee immediately notifies the Director of the areas
19 affected by such conditions with an estimate of when service will be resumed.

21 B. In the event Franchisee fails to collect and remove Solid Waste as required hereunder for a period
22 of at least seventy-two (72) consecutive hours, County, upon written notice to Franchisee, may take
23 temporary possession of and operate any and all trucks or other equipment used by Franchisee for
24 Collection and removal of Solid Waste in the Franchise until such time, not to exceed one hundred twenty
25 (120) days, as Franchisee satisfies County that it is ready, able, and willing to comply with all of the
26 Provisions of this Agreement. In this event Franchisee shall provide County with driver route listings and
27 necessary operational records. County shall be reimbursed by Franchisee for all costs of providing such
28 substitute service. In such events, Franchisee shall indemnify and hold harmless County from and against
29 any damage or liability to any third Person injured or damaged as a result of Franchisee's actions or
30 inactions excepting County's sole negligence in providing such substitute service. Employees of
31 Franchisee, including management employees, may be employed by County during any period in which
32 County temporarily assumes the obligations of Franchisee under this Agreement. However, the rates of
33 compensation paid to Franchisee's employees or any other employees, during such period shall not exceed
34 the rates in effect between Franchisee and its employees at the time Franchisee's service was interrupted.

36 C. The parties hereby agree that if Franchisee's failure to perform hereunder is due to a strike or
37 labor dispute or other force majeure event, this Agreement shall not terminate and shall continue to be
38 effective for the duration of such strike or labor dispute. In the event of such a strike or labor dispute,
39 Franchisee shall maintain an unobstructed entrance at its place of business which is not regularly used but
40 which will be primarily reserved for use by County access while County or its designated representative is
41 performing Franchisee's responsibilities. If the labor dispute or picketing blocks access to Franchisee's
42 place of business, Franchisee shall receive no compensation for any time period in which it failed to
43 perform in accordance with the provisions of this Agreement.

45 **SECTION 11. ADMINISTRATIVE HEARING PROCEDURES.**

47 A. Should Franchisee contend that the County is in breach of this Franchise Agreement, it shall file a
48 request with the Director for an administrative hearing on the allegation.

1 B. If the Director refers a matter to a hearing officer, or if the Franchisee should allege a breach of
2 the franchise by the County, County and Franchisee shall mutually agree on a hearing officer within
3 twenty (20) days. County and the Franchisee may, but are not required to, choose a hearing officer from
4 among retired California Superior Court judges or Appellate Court justices, none of whom are related to
5 the parties, and such retired judges or justices may be affiliated with private judicial service companies,
6 such as Judicial Arbitration and Mediation Services.
7

8 C. The hearing shall be conducted according to the provisions of California Government Code
9 Section 11500, et seq. The exclusive venue shall be in Riverside County, California. A hearing officer to
10 whom a matter is referred shall have the authority to (i) order the County or the Franchisee to undertake
11 remedial action to cure the breach and to prevent occurrence of similar breaches in the future; (ii) assess
12 damages and/or levy a penalty upon the County or Franchisee consistent with the terms of this Agreement
13 including terminate the Agreement; or (iii) find there has been no breach. The amount of the penalty shall
14 be reasonably related to the seriousness of the breach of the Agreement.
15

16 D. The party losing the hearing shall be liable for the hearing officer's fees.
17

18 E. Any failure of the Franchisee or County to comply with the hearing officer's order shall be
19 deemed a material breach of the Agreement, and may be grounds for termination of the Agreement.
20

21 F. Any party to the hearing may issue a request to compel reasonable document production from the
22 other party. Disputes concerning the scope of document production and enforcement of document
23 requests shall be subject to Agreement by the parties, or if Agreement is not reached within twenty (20)
24 days of that document request, then by disposition by order of the hearing officer. Any such document
25 request shall be subject to the proprietary rights and rights of privilege of the parties, and the hearing
26 officer shall adopt procedures to protect such rights.
27

28 G. Neither party may communicate separately with the hearing officer after the hearing officer has
29 been selected. All subsequent communications between a party and a hearing officer shall be
30 simultaneously delivered to the other party. This provision shall not apply to communications made to
31 schedule a hearing or request a continuance.
32

33 H. Until final judgment is entered from the hearing officer proceeding under the foregoing
34 provisions and the time for appeal or other post-judgment petition has expired, the imposition or
35 enforcement of any penalties or sanctions provided in the Agreement and related to the subject matter of
36 the hearing shall be stayed. The hearing officer may modify or cancel any proposed penalties or sanctions
37 upon a finding that the party subject thereto acted with substantial justification or if the interests of justice
38 so require.
39

40 I. Judicial review is as provided for in Code of Civil Procedure Section 1094.5.
41

42 **SECTION 12. FRANCHISE TRANSFERABILITY.** 43

44 A. The franchise granted by this Agreement shall not be transferred, sold, hypothecated, leased, or
45 assigned, nor shall any of the rights or privileges herein be hypothecated, leased, assigned, sold, or
46 transferred, either in whole or in part, nor shall title thereto, either legal or equitable, or any right, interest,
47 or property therein, pass to or vest in any Person, except the Franchisee, either by act of the Franchisee or
48 by operation of law, without the prior written consent of the County expressed by Resolution. Any
49 attempt by Franchisee to assign this franchise without the consent of County shall be void. The County

1 shall review such a request using such criteria as it deems necessary including, but not limited to, those
2 listed in Subsection C.

3
4 B. The County shall not unreasonably withhold its consent to a transfer of the franchise granted by
5 this Franchise Agreement. The County may impose new conditions of approval on a Franchise
6 Agreement transfer, including, but not limited to, conditions requiring acceptance of any reasonable
7 amendments to this Agreement.

8
9 C. If the Franchisee requests that the County consider and consent to a transfer, the Franchisee shall
10 meet the following requirements:

- 11
12 1) The Franchisee shall pay the County its reasonable expenses for attorney's fees and
13 investigation costs necessary to investigate the suitability of any proposed transferee, and
14 to review and finalize any documentation required as a condition for approving any such
15 transfer.
16
17 2) The Franchisee shall furnish the County with audited financial statements of the proposed
18 transferee's operations for the immediately preceding three (3) operating years.
19
20 3) The Franchisee shall furnish the County with satisfactory proof: (i) that the proposed
21 transferee has at least five (5) years of solid waste management experience of a scale
22 equal to or exceeding the scale of operations conducted by Franchisee under this
23 Agreement; (ii) that in the last five (5) years, the proposed transferee has not suffered any
24 citations or other censure from any federal, state or local agency having jurisdiction over
25 its waste management operations due to any significant failure to comply with state,
26 federal or local waste management laws. Franchisee shall supply the County with a
27 complete list of such citations and censures; (iii) that the proposed transferee has at all
28 times conducted its operations in an environmentally safe and conscientious fashion; (iv)
29 that the proposed transferee conducts its solid waste management practices in accordance
30 with sound waste management practices in full compliance with all federal, state and
31 local laws regulating the Collection and disposal of waste; (v) of comparable financial
32 strength; (vi) of required insurance and bonds; and (vii) of other material as may be
33 requested by the County.
34

35 D. This franchise or portions thereof may be transferred, sold, hypothecated, leased, or assigned by
36 the County to any Public Agency having the authority to provide solid waste collection services if the
37 Board determines it is in the public interest to do so.
38

39 **SECTION 13. REPORTS.**

40
41 A. Franchisee shall provide the Director the periodic reports regarding waste stream Collection,
42 recovery and disposal specified in Exhibit D of this Agreement.
43

44 B. Franchisee shall make its customer base and records available to the Department for audit at
45 reasonable times for purposes relevant to review of performance and rate adjustment requests under the
46 Agreement.
47

48 **SECTION 14. COMPENSATION.**

1 A. Franchisee Rates.

2
3 Franchisee shall provide the services described in this Agreement and its exhibits in accordance with
4 the rates set forth in the Exhibit E. Recyclable Materials collected from Commercial and Industrial Units
5 are included in this Exclusive Franchise to the extent provided in state and federal law. Exhibit E
6 specifies the maximum rate to be charged for such materials.

7
8 B. Modification and Adjustment of Rates.

9
10 If the Franchisee owns, has a financial interest in or operates any landfill located in Riverside County
11 at any time during the effective period of this contract, the Franchisee shall provide copies of all contract
12 and any supplemental agreements it has with each of its (in county) contract customers for disposal of
13 waste at these sites. If rate discrepancies or financial incentives exhibit a potentially unfair advantage or
14 District subsidy, the Franchisee hereby agrees the County Board of Supervisors shall have the authority to
15 renegotiate the County Franchise rates and/or the terms of the landfill operating agreement. The rates set
16 forth on Exhibit E shall remain in effect until adjusted by County following a public hearing as provided
17 in Exhibit F.

18
19 C. Notice of Rate Changes

20
21 The Franchisee shall provide customers a minimum of thirty (30) days written notice of the
22 implementation of changes in any of its rates and charges provided Franchisee has ninety (90) days notice
23 from County regarding approved changes in landfill fees and CPI adjustments. The wording of the notice
24 shall be submitted to the Director ten (10) days in advance of its release, and shall be approved as to form
25 prior to release. County shall provide Franchisee with written notice of changes in System Facility,
26 franchise, or Illegal Dumping Retrieval Services at least forty-five (45) days in advance of the anticipated
27 rate changes.

28
29 D. Resolution of Disputes Regarding Rate Adjustments

30
31 Any dispute regarding adjustment, or the computation or any other dispute regarding Franchisee's
32 reimbursement for fees, special services, or extraordinary costs described in Exhibit D, shall be decided
33 by the Director or his representative. If resolution can not be reached, the Director shall refer the matter
34 to the Board of Supervisors, or to a hearing officer as provided in Section 11 above. The rates in effect at
35 the time such dispute is submitted to the Board of Supervisors, or a hearing officer shall remain in effect
36 pending resolution of such dispute. The Effective Date of any dispute resolution, whether retroactive or
37 prospective, shall reasonably be determined by the Board of Supervisors, or the hearing officer, as
38 appropriate. Any Franchisee operating in a Comprehensive Collection Area shall be subject to all
39 applicable provisions in the County's comprehensive collection ordinance.

40
41 E. Billing and Payment.

42
43 Franchisee may bill and receive payment as provided in Exhibit E. In cases where Franchisee
44 includes a Landfill Tipping Fee amount on a customer's bill, the County shall prescribe the amount

1 consistent with established waste generation factors and Tipping Fees. Further, on a quarterly basis, the
2 County shall be allowed to include a one (1) page insert for the purpose of public education regarding
3 waste disposal, recycling, or other environmental issues. Print ready copy of such insert, which conforms
4 to the Franchisees' billing, shall be delivered by County Information Officer thirty (30) working days in
5 advance of Franchisee's billing dates.

6
7 F. Delinquent Accounts.
8

9 Franchisee may discontinue service for non-payment of customer's billing or customer's failure to
10 substantially comply with the requirements of this Agreement. After the Franchisee has given fifteen (15)
11 days' notice to customer for non-compliance, Franchisee shall notify the Director in writing of any service
12 termination including a written copy of the notice to the customer. Upon payment of the delinquent fees,
13 if applicable, Franchisee shall resume Collection on the next regularly scheduled Collection day. Any
14 Franchisee operating in a comprehensive collection area shall be subject to all applicable provisions in the
15 comprehensive collection ordinance.

16
17 G. Refunds.
18

19 Franchisee shall refund to each customer, on a pro rata basis, any advance service payments made by
20 such customer for service not provided when service is discontinued by written notification to Franchisee
21 by the customer.

22
23 **SECTION 15. FRANCHISE FEES.**
24

25 A Franchise Fee of eight (8) percent of the Franchisee's Gross Receipts, less landfill fees or Transfer
26 Station Tipping Fees, shall be payable by Franchisee to the Department thirty (30) days after the close of

EXHIBIT A

PROVIDED SERVICES

This Exhibit is for the exclusive franchise held by
USA Waste of California, Inc. in Franchise Area
___. Attached is: 1) specific information regarding provision of the minimum levels of service,
and; 2) definition of any additional services the Franchisee will be providing.

RIVERSIDE COUNTY - FRANCHISE COLLECTION AGREEMENT
USA WASTE OF CALIFORNIA, INC.

FRANCHISE AREA 3

EXHIBIT "A"

PROVIDED SERVICES – revised 4-24-98

The Franchisee shall provide Collection, Transportation and Disposal Services for the following service types:

1. Single Family Residential

Residential Basic Level of Service – Initially, each single family residential unit (units of four (4) or less) and mobile home dwellings (excluding PUD's) will receive curbside service for trash and recycling collection.

Residential Basic Level Option – As directed by the Director, this level of service shall be the Basic Level as described above plus green waste collection with three (3) automated carts.

- Trash collection will be accomplished via use of automated 96-gallon carts. Each customer subscribing to basic service shall receive from USA Waste Services one cart and will be offered additional carts based upon the rates established in Exhibit "E". This form of collection will regulate the volume of trash collected and will better charge customers for the service received.
- Recyclable collection shall be accomplished via 96-gallon carts and shall include materials such as fiber products, glass bottles, plastic containers, and aluminum and metal cans. Additional carts shall be available to customers for a charge as outlined in Exhibit "E". The Franchisee reserves the right to remove recycling carts from a customer that improperly segregates recyclable materials.
- Green waste collection shall be accomplished via the use of automated 96-gallon carts. Each customer shall receive one cart for this service and may request additional carts subject to the rates established in Exhibit "E" and amended.

For the *Basic Level of Service*, rates will be charged based upon the difficulty of collection:

Regular customers and Hard-to-Service customers

Regular customers are defined as a typical single-family residence on a paved roadway with appropriate curb-type of access. These customers are typically within tract-type developments and have a density of at least 6 dwelling units per acre. Examples of developments that meet these criteria are Horesethief Canyon, California Meadows and Wildrose.

Hard-to-Service customers will have a "Rate Band" and be priced based upon the collection difficulty or density of subscribed customer base in a particular neighborhood. The rates for subscribed customers will be based upon the definition as noted in Section 2 of the Agreement between Riverside County and USA Waste of California, Inc., and described as follows:

"Hard-to-Service" refers to any of the following:

1. Rural, sparsely populated areas
2. Hilly or mountainous terrain
3. Poorly paved or unpaved roads which may be unpassable in poor weather
4. Large, uninhabited areas between pockets of homes
5. Unusually heavy waste due to large properties, livestock, etc.

Sections of Franchise Area 3 that will be considered for "Hard to service" rates include the less populated areas of the following: Sedco Hills, Wildomar, Glen Ivy Hot Springs, Good Hope, Gavilan Hills, Lake Mathews, and South Menifee.

Optional Level of Service: (To be reviewed and approved by Franchisee)

In lieu of the Basic Level of Service, residential customers may subscribe to either the following:

- Commercial bin service in lieu of utilizing the Basic Level of Service described above. The rates for this optional service shall be the same as that established for commercial bin service in Exhibit "E" and as amended.
- Small volume carts (64 gallon size) may be offered to a senior citizen customer when it can be shown that the primary owner is 65 years of age or older.
-

Existing Service Agreements in Area 3, wherever they exist, shall be brought in compliance as soon as practicable (and allowable under Riverside County Franchises) with this franchise and the rates on Exhibit "E".

Other Services Provided (And as may further be described in Section "5.A.&B." of the Franchise Agreement):

A. Bulky Waste Collection:

Two Bulky Waste Collection opportunities are available for both regular and hard to service subscribed residential customers within the franchise area.

1. The Franchisee shall collect Bulky Waste generated at a residential unit two times per year at no additional charge to the customer. This service shall be at the curbside and on the regularly scheduled collection day of the designated clean-up week. Appliances containing CFC's shall be charged a special removal fee as delineated in Exhibit "E".

2. The Franchisee shall also provide residential customers with on-call bulky item pick-up service arranged at the request of the customer for large household appliances or furniture or multiple smaller items not exceeding one and one-half cubic yards. Rates for this service shall be as outlined in Exhibit "E" and as amended. If a customer has amounts of waste in excess of the one and one-half cubic yards, a temporary commercial bin or roll-off bin may be used.

Collection of heavy waste materials such as dirt, rock, concrete, and asphalt are not included in these services and will require a roll-off bin for collection by franchisee.

B. Used Motor Oil Collection: The Franchisee shall provide this service at no additional charge subject to the provisions of Riverside County Ordinance 657 and Riverside County Resolution 90-668.

C. Roll-off collection containers for neighborhoods at the instruction of the Director.

- D. Scout Service: This service is available for customers having residences with vehicular access prohibiting passage of a regular trash collection truck. This includes dirt roads that may be a single lane in width, or an instance where a customer resides a substantial distance from a traveled roadway and desires to have service close to the residence via a small vehicle. A "scout" vehicle is typically a small utility truck with a covered box to carry trash to the main road for deposit into a regular collection vehicle.
- E. Street Sweeping services may be added to this Franchise subject to the Direction of the Director at prices established and later added to the rates in Exhibit "E".

2. Commercial, Multi-family and Industrial

The Franchisee, in conjunction with the customer, shall place bins at each commercial property of the appropriate size, and emptied at a frequency necessary to accommodate complete removal of all solid waste generated on the site.

As soon as practicable and allowable under Riverside County Franchises, Franchisee shall issue new service agreements in conformance with the rates established in Exhibit "E" and as amended.

Commercial businesses that generate very small quantities of waste may be allowed to share a bin with neighboring commercial businesses as deemed appropriate by the Franchisee. "Shared Bin Accounts" shall designate one individual or entity as the responsible party for payment of the monthly bill. Any shared account shall be approved by the Franchisee and is at the Franchisee's sole discretion.

Bins shall be provided, serviced, and charged as outlined in the attached Exhibit "E". Other commercial services and fees are outlined in Exhibit "E" and include Restart fees, Overage fees, Extra Empty fees, Redelivery and Restart fees, and Hard to Service fees.

In special cases where there is not appropriate space on-site or with neighboring businesses for the placement of a commercial bin, the Franchisee may allow "Commercial Can Service" to satisfy the need or the requirement of refuse removal service. This service shall be collected one time per week and charged as outlined in the attached Exhibit "E". The Franchisee shall supply each business that subscribes to this service with a 96-gallon cart for storage of solid waste.

If requested by the customer, additional carts will be available up to a maximum of three (3) per business per service for additional fees as outlined in the residential section of Exhibit "E".

Cart(s) shall be placed by each individual business customer at the curbside or other mutually agreed upon location on collection day.

3. Roll Off Bin Service

The Franchisee shall provide when requested, roll-off boxes of the sizes listed in Exhibit "E", to any property in this franchise area. This service is typically temporary in nature, but may be considered regular commercial service with a minimum of once per week collection, in lieu of regular commercial bin service.

RIVERSIDE COUNTY - FRANCHISE COLLECTION AGREEMENT
FRANCHISE AREA 3
USA WASTE OF CALIFORNIA, INC.
EXHIBIT "E" - ATTACHMENT 1

The Franchisee shall adhere to the following procedures for billing and collection of rates for services provided under the terms of this Agreement:

- A.) Billing:
Single Family Units - Franchisee shall bill each residential customer quarterly in advance for services rendered throughout this franchise area. Payment is due within 30 days of the invoice date and is overdue 30 days from invoice.

All other regular and special services including commercial and roll off service shall be billed by the Franchisee monthly, in advance, in accordance to the rate schedule established in Exhibit "E" and as amended.

- B.) Delinquent Accounts:
Franchisee may discontinue service for non-payment of customer's billing or customer's failure to substantially comply with the requirements of this Agreement. EXHIBIT F

RATE ADJUSTMENT MECHANISM

All Rate adjustments must receive approval by the Board of Supervisors following public hearings.

1. ANNUAL RATE ADJUSTMENT

The Schedule of Approved Rates provided in **Exhibit E** shall be adjusted annually following public hearings and according to the following methodology. The rate shall be adjusted annually each July 1st with the first such adjustment occurring July 1, 1999. Said adjustment shall be no greater than the change in the Consumer Price Index for All Urban Consumers (CPI-U) for the Los Angeles/Anaheim/Riverside Metropolitan Area, (1982 – 84 = 100), as published by the United States Department of Labor, Bureau of Labor Statistics. For those residential curbside accounts for which a reduce rate is provided pursuant to Exhibit E of this Franchise Agreement the above adjustment factor may be increased by an additional three percentage points until such time as those rates have equaled the regular curbside residential rates for each type of service. Said change shall be measured for the twelve (12) month period January through December. The first adjustment shall be effective July 1, 1999, based upon changes in the consumer Price Index formula for the period January 1998 through December 1998. In calculating the rate changes, the change in the CPI shall not be applied to the portions of the rate attributable to pass through items, including but not limited to disposal fees, Green Waste diversion tip fees, Franchise Fees, Illegal Dumping Retrieval Fees, and other local, state, and federal fees. District direction of the Franchisee to use a different System Facility for more than seven (7) consecutive days but no more than thirty (30) consecutive days at a time that involves a change in round trip time or distance will also be considered at the time of the annual rate adjustments. Any adjustments made in this latter instance will only impact the rate for a one year period in order to recover any additional costs incurred by Franchisee during the previous year.

Pass through items shall be adjusted based upon the actual expenses or costs related to that item: revisions to the disposal fee portion of the rate shall be based on disposal costs and the appropriate tonnage amounts as determined through the disposal tonnage tracking requirements.

2. PERIODIC RATE ADJUSTMENT MECHANISM

The Department reserves the right to review the Franchisee's rates every three years from the effective date of this Agreement if the Franchisee's rates exceed the then average rates for comparable services in comparable jurisdictions, as determined by the Department in its reasonable discretion. In the event that the Department makes such a determination the Franchisee's rates may be adjusted to any level at or above the average rates in the comparable jurisdictions.

3. EXTRAORDINARY RATE REVIEW

A. The Director or Franchisee may initiate a special rate review by the Department should an extraordinary event or circumstance arise which has a significant impact on the economic operation of the Franchisee or the rates charged to customer as follows:

1. An event or circumstance (including changes in law) occurs which is beyond the control of Franchisee or County.
2. Changes to operations mandated by the County or proposed by Franchisee and approved by the County.
3. Any change in disposal/Green Waste tip fees.
4. The District directs Franchisee to use a different System Facility for more than thirty (30) days that involves a change in round trip time or distance.
5. The County modifies the franchise fee.
6. Significant changes in the level of delinquent accounts in Comprehensive Collection Areas.
7. Significant increases in the number of customer accounts due to development or growth.
8. Other circumstances at the discretion of the Director or the Board of Supervisors.

B. Should Franchisee request a special rate review only those costs related to the circumstance(s) which warrant consideration of a special rate review, as specified above, will be reviewed and considered.

C. Franchisee must submit its request for a special review of service rates, and all appropriate cost and operational information at least three months prior to the proposed effective date of any rate adjustment.

EXHIBIT G

HAZARDOUS WASTE AND MATERIALS SCREENING

I. SURVEILLANCE

Franchisee will screen all loads of Solid Waste, Recyclables, and Green Waste, using mirrors on the vehicles and direct means of inspection where appropriate, at the point of collection to eliminate, where practicable, the transport of hazardous wastes. Hazardous wastes found at the point of collection will not be collected and the generator and the Department of Environmental Health will be notified of the incident.

Hazardous waste shall be transported in accordance with the regulations of the Department of California Highway Patrol (Title 13, CCR), the regulations of the federal Department of Transportation (DOT)(Title 49, Code of Federal Regulations), the regulations of the U.S. Environmental Protection Agency (Title 40, Code of Federal Regulations), the regulations of the California Occupational Health and Safety Administration (Title 8, CCR), and the regulations of the California Department of Toxic Substances Control (Title 22, CCR). This section shall not be construed to exempt the Franchisee from any other applicable law, or from any other regulation unless expressly stated.

All records, plans and/or other documents kept on file by the Franchisee to meet the above mentioned requirements will be made available to the County upon request.

II. HAZARDOUS WASTE RESPONSE

In the event that any hazardous or suspected hazardous waste is commingled with the solid waste stream, the Franchisee shall take immediate and appropriate action to contain and isolate the load and contact the County Hazardous Materials Management Division of Environmental Health. Ongoing training programs will consist of monthly safety meetings for all drivers, mechanics, and other support personnel, including the recognition of hazardous materials and hazardous situations that may require assistance from, or notification to, County Hazardous Materials personnel.

Procedures for Handling Hazardous Waste

The procedure for handling hazardous materials will be as follows:

Notification of suspected hazardous waste in the waste stream will be communicated from the driver to the dispatch center.

1 Dispatch will notify the field supervisor to determine appropriate response.
2 Dispatch will notify the Department's Hazardous Materials Division at (909)358-
3 5055, and shall request that they inspect any materials suspected of containing
4 hazardous waste. A determination will be made by the Hazardous Materials
5 personnel whether the Hazardous Materials Emergency Response Team should be
6 called in to assist in handling the waste.

7
8 Coordinating instructions will be issued by personnel from the Department's
9 Hazardous Materials Management Division based on their findings and
10 recommended actions.

11
12 Dependent on the determination of Hazardous Materials personnel, the suspected
13 hazardous materials may require segregation and containerizing to prepare for
14 manifesting and transport.

15
16 For situations that require specialized equipment or involve extremely large
17 amounts of material, a permitted hazardous materials transport company may be
18 contacted to assist in the cleanup. Management shall be available during any
19 incidents requiring cleanup to authorize the expenditure of funds.

20
21 The appropriate enforcement actions will be coordinated with the Hazardous
22 Materials Management Division to determine if the generator can be identified.

23
24 The specific procedures to be followed, if suspected or known hazardous waste is believed to be
25 in waste already picked up, shall include those steps specified in the attached Guidance
26 Document entitled Hazardous Waste Screening and Response as developed by the County of
27 Riverside, Department of Environmental Health, Hazardous Materials Management Division
28 (HMMD).

EXHIBIT H

DIVERSION SERVICES

At any time during the term of this agreement, upon one hundred and eighty (180) days written notice from the Director, Franchisee shall provide collection of Green Waste from Residential units throughout, or in designated portions of it's exclusive Franchise Area. Franchisee's rates for this service shall be as established in Exhibit E as adjusted by the methodology established in exhibit F. The rates as shown in exhibit E are to be applied only to customers in the areas designated by the Director. If the Franchise has proposed green waste rates based on automated service, manual green waste collection may be utilized, at the Franchisee's discretion, for up to one year from the implementation of the source separated green waste collection program.

DIVERSION SERVICES**

1.) RESIDENTIAL, SINGLE FAMILY

Basic Service to all single family residential accounts will include the following:

Weekly Service and Collection:

- The general nature of automated residential collection via 96-gallon carts promotes diversion due to the volume limitation of the cart as well as the additional cost of added refuse carts.
- Recycling baskets for commingling fiber products, glass jars and bottles, metal cans, and plastic containers.
- Used motor oil collection at the curbside.
- With bulky item collection at the curbside and at community clean-up events, diversion of metal goods (such as appliances and the like) will take place. Other items that can be diverted, based upon an appropriate recycling opportunity are mattresses, usable furniture and clothing, and certain construction waste (such as roof tiles, lumber and plastic containers).
- CFC removal service will reuse and recycle the removed substances.

Optional Residential Recycling Services include separate green waste collection via 96-gallon carts for curbside pick-up when implemented by the Director.

2.) COMMERCIAL BIN

All commercial bin customers will be offered separate bins delineated for recycling only. Customers will separate recyclable items on site. The rate structure established in Exhibit "E", offers the customer significant reductions in collection costs with the added recycling bin.

All commercial can customers will not initially receive individual recycling services. Every effort will be taken to provide recycling services for commercial can customers into combined recycling bin service for several neighboring customers.

3.) ROLL-OFF BOX

These customers will be offered separate roll-off boxes that can be specified for separate collection of a recyclable commodity. This includes the following:

Manure

Lumber

Roof tiles

Green Waste

Plastics

Dirt & Rock

Concrete & Asphalt

Due to the reduced cost of disposal, these customers will be economically encouraged to participate in these programs.

FORM 5

DIVERSION PROPOSAL

Franchisee proposes the following diversion programs. Estimated diversion percentages are calculated by dividing the annual weight of Recyclables and Greenwaste diverted by Franchisee's diversion programs by the total weight of all materials (including Solid Waste, Recyclables and Greenwaste) collected by Franchisee under this Agreement.

Residential Unit Recycling (Curbside)	<u>8</u>	%*
Multi Residential Unit Recycling	<u>N/A</u>	%*
Commercial Recycling	<u>3</u>	%*
Residential Unit Greenwaste Collection	<u>16</u>	%*
Other <u>OIL COLLECTION</u>	<u>0.5</u>	%*
<u> </u>	<u> </u>	%
<u> </u>	<u> </u>	%
Total Diversion (With Green Waste)	<u>24</u>	%**
