I, _____, the body art facility owner, shall provide on-site training on this Infection Prevention Control Plan (IPCP) to the body art practitioners and employees or individuals involved with decontamination and sterilization procedures.

I acknowledge that training shall be provided when tasks demanding potential occupational exposures are initially assigned, anytime there are changes in the procedures or tasks, when new technology is adopted for use in the facility, but not less than once per year. Records shall be maintained on-site for three years.

I hereby certify that to the best of my knowledge and belief, the statements made herein are correct and true.
