Project Description

On May 1, 2024, the Riverside County Solid Waste Local Enforcement Agency (LEA) received an application from Burrtec Waste Industries, operator of Coachella Valley Compost for the revision of the Solid Waste Facility Permit (SWFP) No. 33-AA-0292. Permit revision entails the addition of 2 acres to the permitted lease area to secure easements needed for the water system upgrades facility, as well as the construction of new ECS system and bio-separator for aerated static pile composting in the already existing compost area.

LEA Preliminary Determination

The application complies with pertinent State regulations. Application package was accepted as complete and correct on May 31, 2024.

Meeting Purpose

This informational meeting is for all interested parties to learn more about the proposed SWFP revision process and to provide the LEA with input on the proposed permit action. After this informational meeting, the proposed revised SWFP along with the application package and any public input received will be submitted to CalRecycle for their concurrence.
