PLOT PLAN

The following information must be shown on the Plot Plan in order to process this permit application.

1. The plot plan on the next page shall show the proposed well location with respect to the following items with a radius of five hundred feet (500') from the well:
 - a. Property lines, including ownership
 - b. Sewage or waste disposal systems, including reserved waste disposal expansion areas, or works for carrying or containing sewage or waste
 - c. Location of underground storage tank(s)
 - d. All intermittent or perennial, natural, or artificial bodies of water or watercourses
 - e. The approximate drainage pattern of the property
 - f. Other wells, including abandoned wells
Note: All abandoned wells on this property must be properly destroyed before a new well permit can be issued.
 - g. Access road(s) to the well site
 - h. Structures
2. Location of the property on a vicinity map
3. Legal description of property including Assessor's Parcel Map
4. Location and classification by visual inspection of any solid, liquid, or hazardous waste disposal sites to include municipal and individual package sewage treatment plants within two thousand feet (2000') of the proposed well
5. Animal corrals and pens
6. Other information that has been requested by the Department of Environmental Health to determine if the underground waters will be adequately protected

For our office locations call us at (888) 722-4234 or visit our website at www.rivcoeh.org
